Serving God in the Heart of Homewood

The purpose of this event is to:

- Hear from Tony Dungy about his love for GOD and his investments in Pittsburgh, particularly Homewood.
- Help Bethany Baptist Church in Homewood build a **new church sanctuary** that will then free up community space in the church for expansion of **Diakonia Ministries**, which **"exists to strengthen, equip and encourage the Homewood community with hope through providing human services, youth ministry, counseling and education as a tangible expression of God's love."** "Diakonia" is a Greek word meaning "service". Diakonia Ministries is a non-profit agency affiliated with Bethany Baptist Church.
